Neighbors,

In this email we will be covering:

- Continuing our Park Cleanup Initiative with Neighbors and partners in the City

I hope this email finds you well, as many of you know, we had planned a substantial cleanup of Elmhurst Park on 3/10. The City initiated a cleanup of the park once they saw Seneca's video of the park in an absolute state of disarray and caught wind of our plans to clean it.

However, just 48 hours after the park was cleaned, it ended up right back into the mess seen in the video below.

To ensure Oakland's third spaces are reclaimed for Neighbors, NTO has been developing a plan with our volunteers and City employees to coordinate efforts to keep the parks that we clean safe and usable for Neighbors and families.

We are holding a zoom meeting during the 2nd week of April for everyone interested in joining our cleanup efforts to help create the Oakland we deserve. [Please fill out this brief poll with meeting time slots.](#) We look forward to seeing you there!

Additionally, we would love to hear from you regarding any input you may have on collaborative projects help revitalize our city! Please email andrew@neighborstogetheroakland.org with any ideas.

Best,

Neighbors Together Oakland
